

**Membership Information**

You're invited to be a member of SCA.

Please join us in our efforts to protect the Agricultural Reserve. Members have voting rights at the Annual Meeting where the Officers and Board Members are elected. And your membership fees are put to work on legal representation sometimes needed to represent the interests of SCA.

Many individuals volunteer their assistance, but we cannot be successful in our efforts to preserve and protect the rural agricultural tradition in upper Montgomery County without solid financial backing. Membership fees support our efforts to protect the people, land and resources of the Agriculture Reserve.

**Donation Information**

You can make a difference! Support the effort to protect the Agricultural Reserve with a contribution.

SCA is an all volunteer citizens' organization with no paid staff members. Funds go directly toward efforts to protect the people, land and resources of this vital area.

The pressures to challenge and change the laws protecting the Agricultural Reserve are constantly before us. We believe that now more than ever protecting the resources that support agricultural production is vital to the region and future generations. Your contribution will help SCA insure that we will continue to have productive farmland dedicated to agriculture and a lasting rural legacy.

Thank you for supporting this important work.

***SCA is a 501 (c)(3) non-profit organization, and we provide acknowledgement for all donations and comply with IRS requirements for special documentation of contributions over \$250.***
